

TAKE FLIGHT WITH OWL LABS

An overview of our hybrid collaboration essentials, including the Meeting Owl Pro, the Meeting HQ, the Whiteboard Owl, and the Meeting Owl Pro Premium Pack.

OWL LABS

MEETING OWL PRO

\$999

Our premium 360° camera, mic, and speaker that creates the most immersive experience for hybrid teams.

KEY BENEFITS

- Creates an immersive and inclusive hybrid meeting experience for remote attendees
- Wise Operating System (Wise OS™) autofocuses on the speaker for a face-to-face meeting experience
- Eliminates friction with a Plug and Play meeting setup and start to support all web-based video conferencing platforms

CUSTOMER LOVE

With a Sales Team spread across the country, the Meeting Owl has significantly helped us keep our remote team included and engaged. They are able to actively participate in conversations as though they are in the room. The sound and video quality is great and the Meeting Owl is simple and easy to use.”

—KATIE EVANS, SALES SUPPORT COORDINATOR AT RXBAR

RXBAR®

HOOTS AND HOLLERS

reddot winner 2020

MEETING HQ

\$1,799

Meeting HQ subscription: \$20/month

Our all-in-one meeting room solution that makes virtual collaboration simple and frictionless.

KEY BENEFITS

- Integrates with your calendar and the Meeting Owl Pro to launch your meetings
- The Meeting Owl Pro, the Meeting HQ, and an in-room monitor are the only pieces of equipment you need to fully outfit your meeting rooms for video conferencing
- Supports Zoom and Google Meet so you can switch between platforms to meet with external customers or partners

See it in Action

CUSTOMER LOVE

The Meeting HQ has completely simplified our meeting experience. I can now roll into meetings right on time because I don't need to account for minutes of meeting setup beforehand, and in a matter of one click, I can be totally dialed into a meeting."

—REBECCA BURNEY, SENIOR OPERATIONS ASSOCIATE AT RISK GENIUS

WHITEBOARD OWL

\$599

Whiteboard Owl subscription: \$10/month

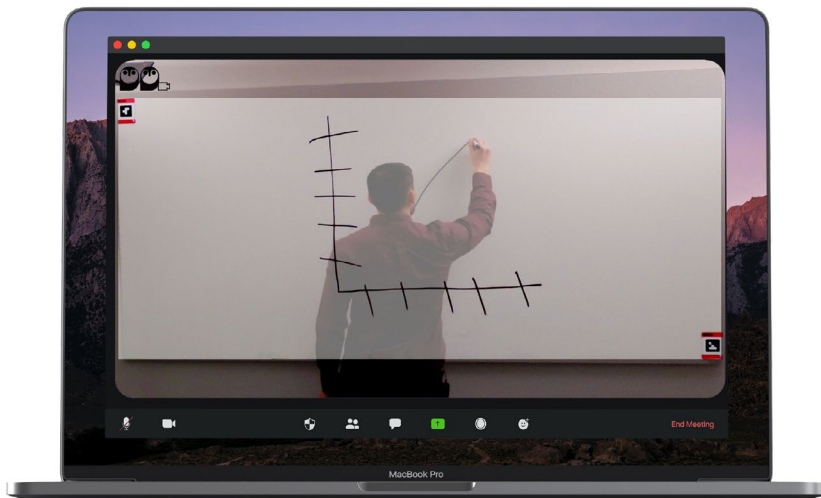

Our dedicated whiteboard camera that pairs with your Meeting Owl Pro to live-stream and enhance content on your whiteboard for better engagement and participation.

KEY BENEFITS

- Enhances whiteboard visibility for remote participants with Whiteboard Enhance, which increases contrast and reduces shadow
- Supports hybrid collaboration in real time so remote participants can actively engage in the class or meeting
- Saves time with Whiteboard Capture, which automatically saves high-res whiteboard images to download during meetings and classes

CUSTOMER LOVE

Content on the whiteboard is so important to both our teachers and students. With the Whiteboard Owl, remote students can now truly engage with that content. The Whiteboard Owl allows us to integrate the whiteboard into our synchronous distance learning. We can now confidently give remote students a high quality way to engage with the whiteboard.”

—MARC BOUCHER, DIRECTOR OF THE LIBRARY
ACADEMIC SERVICES AT LAKE SUPERIOR STATE
UNIVERSITY
