Share Classi

Once registered, you will be directed to the teach portal: portal.makewonder.com. Click on the "Classroom" tab.

Manage Devices

Now have your students access the Blockly program 4 online by going to: code.makewonder.com.blockly

Your students will need your Teacher Code

Test Mac 02

Manage Subscription

code.makewonder.com.blockly

Connect

Code

Create Classroor

Have your students initiate a request using the robot icon in the upper left hand corner. When the manager profiles window opens, have them type your teacher code and the device name, then click, "Connect".

e.g. abc12

Manage Profiles Enter your Class Connect Teacher Code to access your classr eacher Code (required Device Name (optional) g. Room 10 - Device 3 Using Clever

pending

Click on "Requested" to accept a pending device. It will now be connected to your classroom.

Mac

Students can now find their name on the device and their process is now tracked on your teacher's dashboard.

Students will now have access to Dash's Neighborhood in the Blockly App and can complete the puzzles while teachers track their progress. Simply click on the Blockly Dashboard tab.
